**College of Health and Human Services  
Theses and Dissertations 2005-2008**

**SPRING 2005**

Capuozzo, Robert. *Effective Teaching Characteristics of Male Early Childhood Teachers: A Qualitative Study* (Human and Consumer Sciences, Dr. A. Baum, June 2005).

**SUMMER 2005**

Barnett, Melissa. *Household Food Safety and Health Status of Older Adults in Rural Appalachian Ohio and their Utilization of and Satisfaction with the Commodity Supplemental Food Program Food Packages* (Human and Consumer Sciences, Dr. D. Holben, August 2005).

Nakano, Yukari. *A Study on the Transition of Japanese-American Children To Kindergarten* (Human and Consumer Sciences, Dr. M. King, August 2005).

Schuster, Lyndel. *Family Support in Dietary Routines in Appalachians with Type 2 Diabetes* (Human and Consumer Sciences, Dr. A. Graham, August 2005).

Tulkki, Lisa. *Body Image in Children of the Appalachian Region* (Human and Consumer Sciences, Dr. D. Berryman, August 2005).

**FALL 2005**

Meek, Jessica. *Food Security Status, Body Mass Index, and Body Composition of Children Participating in the Summer Food Service Program From an Appalachian Ohio County* (Human and Consumer Sciences, Dr. D. Holben, November 2005).

**WINTER 2006**

Kapasi-Vasiwala, Fatema. *Reliability of BODPOD, Hydrostaic Weighing and Skinfolding for the Assessment of Body Composition and their Correlations in High and Low Fit Men and Women* (Recreation and Sport Sciences, Dr. M. Kushnick, March 2006).

Werner, Tim. *The Effect of High-Carbohydrate Low-Fat and Low-Carbohydrate, High-Protein Diets on Rowing* (Recreation and Sport Sciences, Dr. R. Gilders, December 2006).

### **SUMMER 2006**

Cobey, Colleen. *The Architecture of the Thoracic Portion of the Human Erector Spine Muscles* (Recreation and Sport Sciences, Dr. R. Gilders, June 2006).

England, Shelley. *Closeness in Kindergarten: An Investigation of Teacher Child Relationship Quality* (Human and Consumer Sciences, Dr. M. King, August 2006).

Kropf, Mary. *Food Security, Psychosocial Indicators of and Behaviors Related to Fruit and Vegetable Intake, and the Perceived Health Status of Women Who Participate in the WIC Farmer's Market Nutrition Program in Rural Appalachian Ohio* (Human and Consumer Sciences, Dr. D. Holben, June 2006).

Polunenko, Anzhela. *Working Memory and Narrative Comprehension in Typically Developing School-Age Children* (Hearing, Speech and Language Sciences, Dr. J. Montgomery, August 2006).

### **FALL 2006**

Chung, Min-Yu. *Body Composition of Mice with Altered Growth Hormone Function* (Human and Consumer Sciences, Dr. D. Berryman, November 2006).

Dicus, Jeremy R. *Kinetic and Kinematic Differences in Expected and Unexpected Drop Landing Ankle Inversion* (Recreation and Sport Sciences, Dr. J. Seegmiller, November 2006).

Li, Aiyun. *Growth Hormone (GH) Influences Adipocyte Size in Mouse Models with Varying Levels of GH Signaling* (Human and Consumer Sciences, Dr. D. Berryman, November 2006).

### **WINTER 2007**

Bramsen, Robin N. *The Relationship between Pre-Competitive Anxiety and Occurance of Flow in Female Collegiate Club Rowers* (Recreation and Sport Sciences, Dr. D. Carr, March 2007).

Liu, Pei-Ling. *Potentially Unsafe Food Safety Behaviors Related to Gardening in Southeast Ohio* (Human and Consumer Sciences, Dr. D. Berryman, March 2007).

Wolfe (Collins), Amy. *Caring Classroom Communities: Ritual and Routine in a Preschool Classroom* (Human and Consumer Sciences, Dr. C. Uchida, March 2007).

### **SPRING 2007**

- Collier, Tamara. *Dietary Routines and Diabetes: Instrument Development* (Human and Consumer Sciences, Dr. D. Berryman, June 2007).
- Gray (Freel), Jessica R. *The Potential Role of Culinary Science in Family and Consumer Science Education as Characterized by the Responses of Family and Consumer Science Teachers* (Human and Consumer Sciences, Dr. R. Brannan, June 2007).
- Jones, Jesse. *Impact of "Becoming an Outdoors-Woman" on Self-efficacy, Constraints and Participation in Outdoor Recreation* (Recreation and Sport Sciences, Dr. R. Mittelstaedt, June 2007).
- Ludewig, Annika B. *The Perception of Athletes and Athletic Trainers on the Motivation of Injured Athletes during Rehabilitation* (Recreation and Sport Sciences, Dr. J. Seegmiller, June 2007).

### **SUMMER 2007**

- Donofrio, Lacey M. *Effects of an Animated Exemplar/Nonexemplar Program to Teach the Relational Concept 'On' to Children Using AAC* (Hearing, Speech and Language Sciences, Dr. J. McCarthy, August 2007).
- Driscoll, Erin M. *Health Care for Rural High School Athletes: Injury Rates, Risk Factors, and Implications: A Preliminary Analysis* (Recreation and Sport Sciences, Dr. C. Starkey, August 2007).
- Hamler, Mary Kristen. *Informal Support and Relationship Quality Among Adolescent Mothers and Maternal Grandmothers in Appalachian Families* (Human and Consumer Sciences, Dr. M. Manoogian, June 2007).
- Kolbash, Stacy L. *Investigation of a Relationship Between the Core Pat Family Proteins and Their Expression in Adipose Tissue from Specific Depots of Three Mouse Models with Varying Levels of GH* (Human and Consumer Sciences, Dr. D. Berryman, August 2007).
- Smith, DenaM. *Influence of Reading Mode and Explanations on Word Learning during Story Book Reading* (Hearing, Speech and Language Sciences, Dr. S. Marinellie, August 2007).
- Strauss, Jacquelyn E. *The Effects of Animated Feedback on Locating Abstract Symbols in a Dynamic Computer Display* (Hearing, Speech and Language Sciences, Dr. J. McCarthy, August 2007).

### **FALL 2007**

- Hsu, I-Chen. *Peer Interaction Associated With Computer Use of Preschool Children* (Human and Consumer Sciences, Dr. G. Geist, November 2007).

Jackson, Adam C. *Glycemic Response to Fast and Slow Digestible Carbohydrate High and Low Aerobic Fitness Men* (Recreation and Sport Sciences, Dr. M. Kushnick, November 2007).

Shah, Palak V. *A Comparative Study of Treadmill Walking/Jogging and Mini-Trampoline Jogging for Metabolic Cost and Contact Forces* (Recreation and Sport Sciences, Dr. S. Rana, November 2007).

### **SPRING 2008**

Clark, Johanna M. *Empowerment of the Clinical Education Coordinator in the CAATE-Accredited Entry-Level Athletic Training Education Programs* (Recreation and Sport Sciences, Dr. K. White, June 2008).

Clevidence, Michael W. *The Acute Effects of Differing Conditioning Loads on Counter-Movement Jump Performance in the Recreational Athlete* (Recreation and Sport Sciences, Dr. R. Gilders, March 2008).

Dahlstrom, Erik. *An Examination of Arousal States in Novice Whitewater Kayakers During a Weekend Instructional Experience* (Recreation and Sport Sciences, Dr. B. Martin, June 2008).

Doeringer, Jeffrey. *Ice Application Facilitates Soleus Motoneuron Pool Excitability in Subjects with Functional Ankle Instability* (Recreation and Sport Sciences, Dr. A. Krause, June 2008).

Eckburg, Meredith. *Sex and Foot Posture Affects Ground Reaction Forces During a Single-Leg Drop Landing* (Recreation and Sport Sciences, Dr. A. Krause, June 2008).

Harris, Grant. *Antioxidant Capacity of Pawpaw Pulp Extracts from Different Levels of Ripeness* (Human and Consumer Sciences, Dr. R. Brannan, June 2008).

Hartman, Matthew. *Whitewater Kayakers During a Weekend Instructional Experience* (Recreation and Sport Sciences, Dr. B. Martin, June 2008).

Hoch, Matthew C. *Effect of Functional Fatigue on the Soleus Hoffmann Reflex in Subjects with Functional Ankle Instability* (Recreation and Sport Sciences, Dr. A. Krause, June 2008).

Mah, Eunice. *Optimization of a Pretreatment to Reduce Oil Absorption in Fully Fried, Battered, and Breaded Chickens Using Whey Protein Isolate as a Postbreeding Dip* (Human and Consumer Sciences, Dr. R. Brannan, June 2008).

O'Malley, Michelle H. (Ph.D.). *Visuospatial Short-Term Memory and Language Comprehension: Investigating the Interaction in Typically Developing Children* (Hearing, Speech, and Language Sciences, Dr. J. Montgomery, June 2008).

Palmer, Amanda J. *The Effect of Varying Levelsof GH Treatment on the Body Composition of Obese and Diabetic Mice* (Human and Consumer Sciences, Dr. D. Berryman, March 2008).

Swaminathan, Svetha. *Identification of Genes with Altered Gene Expression in Mouse Models of Varied Growth Hormone Signaling* (Human and Consumer Sciences, Dr. D. Berryman, March 2008).

Weaver, Diane N. *Leadership Characteristics of Dietetic Professionals in Ohio* (Human and Consumer Sciences, Dr. A. Graham, March 2008).

### **SUMMER 2008**

Dempsey, Laura. *The Effect of Reading a First Person Narrative on the Attitudes of School-Age Children Toward Individuals Who Use AAC* (Hearing, Speech and Language Sciences, Dr. J. McCarthy, August 2008).

Smith, Julia L. *The Effect of Pairing Adult Eye Gaze With a Communication Device on the Frequency and Duration of Joint Attention Episodes in Typically Developing Infants* (Hearing, Speech and Language Sciences, Dr. J. McCarthy, Dr. J. Benigno, August 2008).
