

**4-Year Recommended Course Selection Schedule
Sport Management Major
2005-06 and later catalogs**

Classes are listed alphabetically by year, not necessarily in the order that they should be taken. Your quarter schedule should be based on these recommendations and the availability of classes as they fit into your individual schedule. Also, keep in mind that you need to take a certain number of university electives in order to generate 192 hours to meet graduation requirements.
